Absence or is it attendance?!

Being on time for school is also critical to children’s learning. Watching children who arrive late and then have to enter a class which has already started is quite sad. Generally they find this extremely uncomfortable and it is difficult to pick up the cues of what is going on. This then tends to have a flow on effect through out the whole day.

There is also the social component of being late and it is not a good habit to get into. It can have impacts on relationships with other people throughout life.
STUDENTS OF THE WEEK:

Grade Prep/1: **Nate**: Working hard all week. Great!
Grade 1/2: **Mitchell**: Being ready to learn all week.
Grade 3/4: **Owen**: For your effort writing your war story at home.
Grade 5/6: **Michael**: For great enthusiasm during bike ed.

Fundraising Update

C'MON MITCHELL – Get behind your house!!

A quick check of the BBQ volunteer roster today showed that there are a lot of time slots yet to be filled. Don’t forget there are 500 house points available for each family that participates. If you can’t help on the day then maybe you can make something to be sold at the cake stall. If you are baking then please remember to have your goodies delivered to the school on the Friday if possible. Thank you to Tim Williams who has kindly offered to donate a trailer of wood for the raffle. Tim is actually in Barker House so it is great to see people outside of Mitchell House getting behind this fundraiser as ultimately it is the whole school community that benefits.

We are currently raising funds for the purchase of an interactive whiteboard for Mr Walters classroom, for vinyl to be laid in the kitchen area (won’t that make clean up easier) and to update/improve the children’s eating area.

So Mitchell, don’t be outdone by Lang – get Red and get ready and see if you can beat their total of $1270.

Kids with Asthma

I can't catch my breath. It’s hard to breathe.
My breathing may sound funny, it may be a bit noisy (wheezing) or it may sound like a whistle.
Sometimes it may feel like someone is squeezing my chest really tightly.
I may cough a lot. Sometimes more at night or after sport.
My throat may feel itchy.

My Blue puffer. This is also called a reliever. The medicine in my reliever quickly makes it easier for me to breathe.
I use my puffer with a Spacer. It helps to get more medicine into my lungs.

what makes my asthma better?
