NATIONAL RECONCILIATION WEEK

Aboriginal and Torres Strait Islander cultures are the oldest, continuous cultures in the world, having existed in Australia for at least 50,000 years.

The uniqueness of these cultures and the wisdom and knowledge embedded

in them are things to be highly valued by our school community and all

Victorians. As this week was National Reconciliation Week, all students

participated in a number of activities strengthening their understanding of

Aboriginal and Torres Strait Islander history and cultures. Whilst National

Reconciliation Week comes to a conclusion, student learning about Aboriginal

and Torres Strait Islander histories and cultures, forms a core component of

our student learning and is integrated into Curriculum units of work.

Grade 3/4 Camp

Please be advised that the Grade 3/4 camp has been brought forward to

Monday 16th, Tuesday 17th and Wednesday 18th July. The change in date

has been necessary due to the 'Blood on the Southern Cross' sound and light

show finishing forever at the end of July. Students will be attending the show

on the evening of Monday 16th July. Further information relating to the camp

is attached to today's newsletter.

GLASSES FOR KIDS

Prep to Grade 3 Families interested in their child participating in the 'Glasses for Kids'

program are requested to return their permission from no later than Thursday 7th June.

An information pack and permission form were sent home with last week's newsletter.

Regards

Andrew Blake
