# LUNCH ORDER IMPORTANT NEWS

## FACT

Our lunch order numbers are soaring—no surprise, we make the yummiest lunches!

So, we are trialling some changes to the way we run lunch orders.

## FACT

We need cooks and volunteers to keep the lunch order program going—without you, our yummy lunches are not viable!

## FACT

Cooking a meal for 60+ hungry kids is hard work!

## DESSERT

No change. This is working OK with our current volunteer cook numbers.

## MAIN MEAL

This is the tricky one. As our school grows, so does the number of lunch orders. It can be a bit daunting to cook a meal for 60 or so kids. So, in Term 4 2017 we're trialling a different way to cook main meals:

# Team cooking at school!

## How will it work?

Twice a term, volunteer peelers, choppers, stirrers and cooks will gather for a couple of hours at the school kitchen.

## When are we cooking?

Thursday 19 October,  
morning  
Thursday 16 November,  
morning

## How you can help!

The lunch coordinators will take care of shopping and coordinating, so all you need to do is turn up on the designated days and join in the fun! Not much of a cook? No problem! This new approach means that people with little cooking talent can help with prepping, peeling and other bits and pieces—every little bit helps! Plus, you get to chat and have a lovely social time while helping the school continue this awesome program.

# Please join us!
