END OF TERM

Well done to everybody on a very successful term. Looking back over the term we have achieved a lot. Having spoken to the majority of students within the previous week about Term 3, many discussions were based on their highlights of the term. To name just a few, students mentioned: School Concert, Bike and Scooter Education, Indigenous Performance, CASEA program and Friday lunches. Additionally, our school term topic based on Space and Weather has been enthusiastically embraced by all students resulting in some terrific learning occurring in all classrooms. Well done HVPS students!

On a personal note, I would like to thank all students, staff and families for your support this term having now completed my first term at Harcourt Valley Primary School.

Please ensure you all have a well deserved and safe holiday break and we look forward to seeing you all at the commencement of Term 4.

SCHOOL CONCERT

Well done to all of our students on a terrific performance. It was very pleasing to see so many families and community members attend the evening and support our students. The concert was the culmination of a lot of work from many enthusiastic members of the school and wider community. Thank you to all for offering terrific support and contributing to the cost of hiring the Leisure Centre with gold coin donations totalling \$330.
