

# LUNCH ORDER VOLUNTEERS

To keep the lunch order program going, we need more cooks!

## We want you!

The lunch order program is 100% parent-driven. We provide **healthy, home-made** lunches on Fridays in Terms 2, 3 and 4 for a very affordable price.

### **We need more cooks!**

At this stage, we need more cooks to make one main meal per term.

If you are interested, please contact Andrea (0400 678 988) to arrange.

And, you can choose to serve lunch that day and get all the praise for your effort from the kids!

## FAQ

### **I can't cook, can I still help?**

If you can read a recipe, you can cook! The coordinators will provide assistance where needed so anyone who wants to help can, even if they are not (yet) great cooks. You can also volunteer to help serve the lunches on Friday.

### **I've never cooked for 40 people before, it's seems scary.**

Don't worry! You'll be given a recipe and quantities, as well as advice on how to manage it.

### **Do I have to buy the ingredients?**

Ideally yes. There are two ways to do this:

1. Shop at the little IGA in Castlemaine with the school's account. You will not be out of pocket and you must bring the receipt back to reception.  
OR
2. Shop anywhere you like (e.g. ALDI), pay for the food and bring the receipt to reception for reimbursement. The school will reimburse you by means of a cheque.

If, however, you simply do not have the time to shop *and* cook, please let us know and we will organise the shopping.

### **I hear there are kids with allergies at the school. Do I have to worry about that?**

No. We provide the recipes so we know when to alert families of children with allergies and when to provide alternatives.

### **I want to help but I have many other concerns.**

We hear you. Please speak to Andrea (0400 678 988) or Veronica (0416 374 563) about any concerns you may have. With some guidance and support, you will find that helping out with lunch orders is a rewarding experience, even when at first it may seem a bit daunting. We will partner new volunteers with experienced ones so they can show you the ropes. Come on, don't be scared, just do it!
